# Rychillie Umpierre de Oliveira

iOS Developer | Frontend Engineer | Content Creator

Novo Hamburgo, Rio Grande do Sul, Brazil

## Summary

I am a young student interested in technology, games and codes. I have always sought to improve my knowledge and seek the most current, regardless of whether it is known or not, I have always tried to be in the midst of something new and different.

My greatest desire is to be part of things, to be involved, to be able to leave my name in history is my goal, to be known!

---

## Experience

FDTE - Fundação para o Desenvolvimento Tecnológico da Engenharia

Sênior Software Engineer
